[Picture Day FAQ](#)

- We encourage you to come to picture day even if you are not planning on purchasing photos. It is nice to have the whole group in the picture for the recital posters. (If you do not plan to attend, please kindly inform the studio so we can modify group pictures. Make-up individual photos may be schedule upon request.
- Please note there are THREE separate days for pictures - SAT 4/15, Sun 4/16, and Sat 5/13
- Parents/guardians must stay in the lobby. ONLY DANCERS will be allowed in the photo room.

Dancers should be on-time & ready at the studio 10-15 minutes prior to your assigned time. (See schedule attached).

Please use ONE form PER routine or ONE form per Family Package.

-If you are in one routine and/or getting different items/packages for each routine, you must submit one form per routine.

-If you are getting a family package (the same package for multiple routines), please fill out ONE Family Package form and list all of the dances that are part of your package.

Mini-Combo classes will have the group photo taken with the BALLET costume.

-You are welcome to take your individual picture in your TAP accessories, but there will NOT be a group photo with the TAP costume.
